

## What our customers are saying...

### Problem Free

★★★★★ 5/5 “We’ve loved our T1 for 10 or 12 years it’s been a about the only part of our aviation activity that’s been problem free.” Buck Bergstrom, Cessna 182 owner

### Attaches to my Mooney with ease

★★★★★ 5/5 “I conducted and exhaustive search when shopping for a tug for my Mooney. My main concerns in searching for a tug were quality construction and reliable customer service. I am so impressed with the quality of my T1.”

### Perfect for my C182Q

★★★★★ 5/5 “The T1 is perfect for my C182Q. As packaged, just insert the yoke into the main body, attach to the plane and done. Charging the battery is as advertised, just plug it in. Customer Service is second to none.”

### T1 for my Archer

★★★★★ 5/5 “I bought the AeroTow T1 for my Archer, and I am very happy with it.” Gabe P, Piper Archer II owner

### Love the T1

★★★★★ 5/5 “Love the T1, it moves my plane with ease!” Dennis Adams, Vans RV7 and RV9a owner

### Flawless performers

★★★★★ 5/5 “I have two AeroTow T3s, they are amazing and flawless performers. We use it to move a TBM850 and a Cessna 310.” Howard Charney
