#### Gentlemen:

I am requesting that the serial number for the Tailwind W-8 N 6333T be changed from the original L333R to 36, because this aircraft (a home built) was start to be built by Mr.Lamonte Snyder, 619 Warwick St, Ft. Wayne, Indiana, who was assigned the number N6333T and gave the serial number 1333R. He sold to me the material he had on hand along with some partially completed parts for this aircraft.

I refere to the enclosed letter of Mr. Robert D Blacker, Fåå, CE-GADO-18 of South Bend Indiana, attestint to fact that serial number 36 has been assigned and affixed to the name plate of Tailwind W-8 # N633T.

Gentlemen:

This aircraft, N6333T, a tailwind, was originally assigned an "N" number in the embryo state of construction. No name plate was evident at that time.

The materials were purchased and the aircraft completed by Dr. Rupe. He was the original purchaser of the plans from the designer and was assigned serial number 36 by the designer. He wishes this number to appear as the serial. I have approved this change and have determined that a name plate has been affixed and so indicates number 36.

Sincerely yours,

Poler D. Blacker
