- Open-cockpit for straightforward, enjoyable flying.
- Split mast design reduces stick shake and vibration.

Description:

This 2024 MTOSport is fun and easy to fly. It climbs fast and lifts off quickly, so you don't need much runway. The open cockpit keeps flying simple and exciting. A split mast design helps cut down stick shake and makes the ride smoother. If you are a pilot who loves hands-on flying, this is the aircraft for you.
