- Minimal landings

Description:

This 2023 Pipistrel Alpha Trainer is clean, sharp, and barely broken in. Always hangared and never used in a flight school, it's been flown gently on cross-country trips with very few landings. The airframe is low-time, the cockpit is spotless, and there's no student wear and tear. Light, efficient, and ready to fly, this Alpha is one of the nicest you'll find.
